I. Grievance (To be completed by Inmate): Describe the reasons and nature for your complaint.

This is my 3rd attempt to address the black mold all over & around the showers, pod & ceiling. It's caused tiles to peel off, paint to peel back allergies from I/m CRAIG & I/m ALLISON are disturbing at best. My grievance on this issue are disappearing & unaccounted for/although NOT informally resolved).

II. Grievance (To be completed by Inmate): Document reasonable attempts to resolve complaint informally prior to filing this formal grievance.

I have addressed this matter with almost every single runner & supervisor to be told they are "aware of the problem." I have also been given bleach on numerous mornings to "handle" the issue, but bleach does not reverse black mold damage nor does it "fix" where the black mold is peeling back from being painted over.

III. Grievance (To be completed by Inmate): Explain your reasonable proposed resolution.

my reasonable proposed resolution is that this matter be genuinely addressed according to authentic health concern protocol, whatever that may be. I also would like this 3rd grievance to be documented & returned to me with an actual reply within the grievance time allotted by flow chart.
